

# BIG GAME BATTLE

NANTUCKET ISLAND

As the summer winds down, the Tournament Committee would like to thank you all for your participation in this year's 9th Big Game Battle! This was our first year as a charity event and I am happy to report that we did a fantastic job in supporting the International Rett Syndrome Foundation (IRSF). While this year's tournament boasted blue skies, the sea conditions were formidable and kept most boats close to the island. The few boats that traveled to the Canyons were rewarded with Marlin and Wahoo in the spread. The inshore bite produced fewer results, but some Bluefin action nonetheless. The tournament was a success on so many accounts - our largest field yet at 31 boat entries, everyone was safe and you all had a hand in raising over \$35,700 for the IRSF! We are hopeful that this contribution will lend IRSF a hand in finding a cure to this disorder.

Our special thanks to Heineken, the silent auction donors and all the sponsors who helped us put on this year's event. We greatly exceeded our goals and we couldn't have done it without you!!

Congratulations to "Team Hook'em Dan O" - the overall tournament point winner and 1st place in Division I followed by "Team Dauntless" for 2nd place, and "Team Paola Kay" for 3rd place.

Congratulations to all Division II winners with "Team Eve Angel" placing 1st, followed by "Team Snow Bear" for 2nd place, and "Team Stress Test" for 3rd place.

During this year's event, we heard from some of you regarding additional ideas to strengthen the tournament for 2011. In the coming weeks, we will be sending out a very short survey asking for more feedback and suggestions. This is your tournament and together, we will continue to strive to make it one of the most enjoyable weekends of the summer. If you have any photos from this year's event, please email them to [dfoneill@condyne.com](mailto:dfoneill@condyne.com) so we can update the website.

Thank you again for your participation and best of luck during the remaining 2010 fishing season!
