Dear all Big Game Battle Participants,

On behalf of Nantucket STAR, our families, and board - thanks you for your very generous support. We are overwhelmed with your generosity and kindness! We were so touched by your enthusiasm and belief in the importance of giving back. We felt almost instantly that you "got it" - that the children and families we

serve have such courage and that truly anything is possible. Please know that the monies you raised on behalf of Nantucket STAR will go a long way to helping children with special needs truly celebrate "All they CAN do"! If there is ever anything we can do to be of assistance - please do not hesitate. Thank you! Thank you! Thank you!

On appreciation,  
Jana Steadman  
Director, Nantucket STAR.
