Dear Captains, Anglers, Mates, Deckhands and Big Game Battlers of All Ages:

Our 18th Big Game Battle is upon us. We are just 7 months until we gather at the Nantucket Boat Basin for what is one of the BEST weekends of the summer! Don't forget, this year's event is scheduled for August 8-11th.

CAPTAINS | IMPORTANT DEADLINES

The Nantucket Boat Basin has informed us that only 50% of the boats registered have reserved their boat slips to date. These boat slips are on a first come first served basis. PLEASE visit this link to complete this very important task: <https://www.nantucketboatbasin.com/reservations.aspx>.

Should the Boat Basin becomes full, you can arrange to have your boat moored in the harbor by making a reservation here: <http://www.nantucketmoorings.com/index.html>

Please be reminded that we are keeping registration closed to the public through March 1, 2019. After March 1, 2019, we will be opening the registration to those who are on the wait list. **If you have not already registered, please do so by visiting:** <https://biggamebattle.com/fees-and-entry-forms/>

Please contact Don O'Neill at dfoneill@condyne.com to see how you can get involved.

SPONSORSHIP AND FUNDRAISING EFFORTS

We are excited to announce that we will be running the Boat Campaign again this year! Each boat will be provided with their own fundraising page to help with fundraising efforts. **Here is a SAMPLE boat page from last year's event:** <https://because.massgeneral.org/team/165042>

This year's Boat Campaign pages have not yet been developed. We anticipate having them all available by February 15, 2019. When they are developed, they will be directly emailed to you with instructions. If you have any questions concerning the Boat Campaign, please feel free to contact Nicole Tongue at ntongue@condyne.com.

Anyone who wishes to be a sponsor or reach out to anyone that may be interested in becoming a sponsor, feel free to share the sponsor page included in this newsletter. WHATEVER IT TAKES TO GET KIDS THROUGH CANCER

Money raised funds vital One Mission programs that reduce stress, restore joy and provide kids and their families with the support they need to get through the daily challenges of treatment.

We make living in the hospital less lonely and stressful, bring back joy in a time of fear and uncertainty,

One Mission is a pediatric cancer charity that does whatever it takes to get kids through cancer.

One Mission programs make living in the hospital less lonely and stressful, bring back joy in a time of fear and uncertainty, and give kids and their loved ones the support they need to get through the emotional and financial challenges of treatment.

All of the programs we fund directly benefit children and

adolescents diagnosed with cancer, the families who support them, and the medical community who compassionately cares for them.

One Mission was born out of it's founders own journey with cancer. At seven months old their son was diagnosed with AML, a rare form of leukemia. They spent six months living at Boston Children's Hospital, their lives turned upside down.

Thanks to the compassionate care and expert treatment

their son received, today he is cancer-free.

During their journey, they identified many ways life could be improved for patients and families during treatment and hospitalization. Their experience inspired them to start a foundation.

A foundation inspired by a family's journey, to help make life easier by addressing needs of cancer patients and families.
