

BIG GAME BATTLE

2020 Recap

We are pleased to announce that the 19th Annual Big Game Battle Invitational Tournament raised funds for Nantucket based charities this year that were effected by the Covid-19 crisis.

Despite the difficulties of 2020, the tournament committee, captains, sponsors & participants continue to make this tournament a possiblity year after year.

With our new tournament directors and the addition of the Big Game Battle App, we are excited to see how this tournament will continue to grow in the coming years.

This event would not be possible without the support of our sponsors, staff, captain's, crews, and the Nantucket Boat Basin.

Thank you!
