

ABOUT THE BIG GAME BATTLE

Welcome to the 24th Annual Big Game Battle Invitational Fishing Tournament! We are honored to have all participating captains and crews in this monumental event. The Big Game Battle Tournament began with three recreational fisherman & their boats and has now become a staple to Nantucket summers and the New England fishing community. This annual event is an offshore sport fishing tournament held on the history-rich Island of Nantucket, Massachusetts. Anglers are able to fish of the coast of Nantucket, to the East or South in search of a large variety of game fish from Bluefin, Yellowfin, Albacore, Mahi, Blue & White Marlin, Big Eye and more. Participants leave from the Nantucket Boat Basin, which is conveniently located to best access these waters.

Since the tournament's inception, this invitational event has raised over \$2 Million for many charities, including but not limited to: The Dion Foundation, The Corey C. Griffin Foundation, The Dana-Farber Cancer Research Institute and The Jimmy Fund to support Leukemia Research and Patient Care, Juvenile Diabetes, National Multiple Sclerosis Society, The Boys and Girls Club of Dorchester, The Nantucket S.T.A.R. Program, ALS, Camp Harbor View, The Hole in the Wall Gang Camp, The International Rett Syndrome Foundation, and Home Base, a Red Sox Foundation and Massachusetts General Hospital Program.

This event would not be possible without the support and hospitality of the Nantucket Boat Basin, the Harbormaster, the Professional Crews, our staff and team, and of course our sponsors. Thank you all for the continued interest in our event.

TOURNAMENT RULES

- 1. All boats must depart from Nantucket unless the committee is notified prior to the start of the tournament. This is not an IGFA tournament; it is a group of boats and friends wishing to have a good time in Nantucket with some friendly competition. Please make note that there are two sides to the scoresheet. Both sides must be filled out in order for your points to count.
- 2. Friday: Lines cannot be in the water any earlier than 5:00 AM and the lines must be out of the water by 5:00 PM. All boats returning to Nantucket must turn in their score sheets by 7:00 PM to the score table at the John Jay Wharf Cottage with required time stamped videos. Nite Bite goes from 5:00 PM to 4:59 AM.
- 3. All boats staying out overnight Friday must have their scores called in by 7:00 PM via satellite phone or relayed by another boat in the tournament. Please call in with the numbers provided on the bottom right of your score sheets. Your score sheets will be time stamped. Required videos for boats staying out Friday night will be reviewed Saturday night. Please itemize each species totals on your call in.
- 4. Saturday: Lines cannot be in the water any earlier than 5:00 AM and lines must be out of the water by 3:00 PM. All boats must turn in their score sheets by 5:00 PM at John Jay Wharf Cottage with required time stamped videos with catch flags included in footage. If the boat does not turn in both sides of their score sheet by this time, all points are disqualified for that day. Score Sheets and Videos must be hand delivered to the Score Committee at the John Jay Wharf Cottage by 5:00pm. Tournament does not allow for final scores to be called in. Scores are not final until they've been reviewed by the Score Keeper.
- 5. Any fish hooked prior to the lines out deadline may be fought until boated or released, provided that said fish is reported hooked to another participating vessel before the lines out deadline. Both sides of the score sheets must be reported Day 1 by 7:00 PM and Day 2 by 5:00 PM. Score sheet must include times of each fish caught. In case of a tie at the end of the two (2) days of fishing, the boat that catches the most points first will be determined the winner. If a fish is hooked prior to line out time, it counts for that segment of the tournament.
- 6. Both sides of the score sheets must be turned into John Jay Wharf Cottage where scores will be posted.
- 7. The Yellowfin and Big Eye Tuna Calcutta Weigh fish will be weighed at the Nantucket Angler's Club. The weights of these fish will be whole weight fish and will be Winner Take All for heaviest fish.
- 8. All fish are the boats' property and each boat is responsible for disposing of their own fish. A \$200 fine will be imposed on a boat for discarding fish carcasses in the Nantucket Boat Basin and is strictly enforced by their staff. This rule is imposed to ensure the Big Game Battle maintains a positive status with the Boat Basin.

- 9. For release purposes, a fish will be considered caught when the mate touches the leader or the leader touches the tip of the rod. Must have clear video with catch flag visible to verify catch.
- 10. Footage can be taken on any camera as long as it is clear, decisive and time stamped. These videos will be reviewed at the Basin along with the submitted daily catch report on Saturday evening.
- 11. Release flags can be found in the Captains bags, these flags MUST to be visible for all videos of released fish.

 The color for each catch flag will coincide with the color of that days scorecard.
- 12. The Tournament will monitor CHANNEL 71. All boats should stay in communication with other boats during fishing hours for safety and fishing updates.
- 13. The use of electric reels are prohibited.
- 14. The use of greensticks are prohibited.
- 15. Spreadbars and harpoons are allowed.
- 16. MAXIMUM of seven (7) lines in the water at any time, day or night fishing. If pitch-baiting, lure must be out of the water prior to pitch-bait going into the water.
- 17. There is NO weather committee. The decision to fish is left solely to participants who do so at their OWN RISK. No boat changes are allowed unless approved by the committee.
- 18. Each boat captain must fill out both sides, sign, and submit a daily catch report.
- 19. This is an invitational (friends of friends) tournament. The committee retains the right to invite participant's back the following year. Please be responsible and courteous at all times; otherwise, you will not be invited to participate in the future.
- 20. All vessels must follow all Federal and Local regulations, including necessary permits. Any fish that is kept the length must be recorded on the score card that will be given to NMFS as required.
- 21. No liabilities will be assumed by any other vessel or party participating in the tournament. Please proceed at your own risk and carry your own insurance.
- 22. There are NO tournament fishing boundaries.
- 23. Division 1 boats are 40 feet and larger, Division 2 boats are 39 feet and smaller.
- 24. The Big Game Battle Invitational Tournament promotes the conservation of all species of fish and the release of billfish. Use your best judgment and follow the NMFS rules and regulations.

COVER YOUR HEAD, DISCOVER YOUR HEART.

The Lids Foundation provides support directly to local communities and to the charitable organizations that serve them to enable community members of all ages to live more active, healthy, and productive lives.

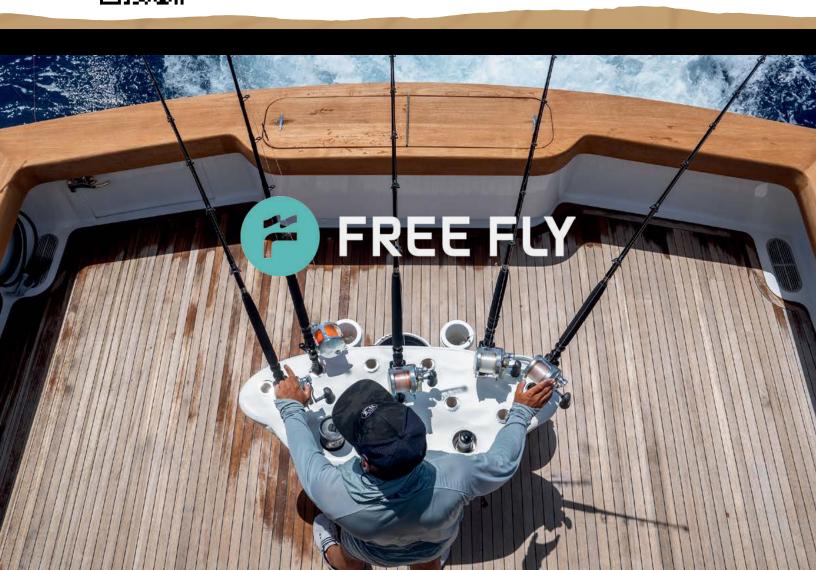

At Lids, giving back isn't just something we do, it's who we are. Since 2019, we've donated over \$6.5 million, impacting communities nationwide in meaningful ways. From donating 400,000 hats/clothes or 1,500 pairs of shoes to Building playgrounds and countless volunteer hours. We come alongside communities and charitable organizations to help them make the greatest impact.

TURNER BROTHERS

SCORING PROCESS

- 1. Each boat will receive a Big Game Battle Score Book, Catch Flags, Tournament Magazine, banquet wrist bands in their Captain's Bag upon Thursday's Check-In.
- 2. There will be a different color sheet for Day 1, Day 2 and the optional Nite Bite in the Score Book, colors coincide with your catch flags for Blue Marlin, White Marlin, Sailfish, Giant BFT and Swordfish.
- 3. Be sure to label your Boat and Captain Name & Number at the top of each score sheet.
- 4. Each Detailed Score Sheet must be completed as fish are caught. Remember to include catch times and anglers for each fish, as these are critical in the case of tie. This is a NMFS Registered Tournament and detailed date is required to be submitted at the conclusion of the tournament.
- 5. On the opposite side of the Detailed Score Sheet is a Summary Sheet. Please complete the Summary Sheet for each fishing period. This will expedite our turnaround in posting scores.
- 6. The Tournament Staff and our Official Score Keeper will be outside of John Jay to collect all Score Sheets. Video of Billfish or Giant Bluefins are required with catch flag in the video. All Score Sheets will be timestamped upon receipt by the Tournament Staff. Once tallied and reviewed, your scores will be posted outside on the Master Tournament Results Score Poster and on the Big Game Battle App. We ask everyone be patient while we process scores and determine winners to ensure a smooth and accurate process.
- 7. All other rules outlined in this Tournament Magazine (under Tournament Rules) will still apply. Be mindful of Lines In / Lines Out times, requirements for scores submittal if staying out for Nite Bite, and all score submittal deadlines. Any boat(s) that do not follow Tournament Rules pertaining to Scores will be disqualified for that day or possibly the entire tournament. Please review Tournament Rules and this Scoring Process with your crew before departing offshore.
